

## G.A.1. ENVIRONMENTAL PROTECTION

### Worksheet: "Environmental protection - Our role and actions"

#### Instructions:

Complete each part of the worksheet independently or in a group. Think about your habits, ideas and opportunities to contribute to environmental protection.

---

#### 1. Understanding the problem

##### Questions to ponder:

- What are the biggest environmental problems in your city/community?
- (Please give three examples.)

1.

---

2.

---

3.

---

- How do these problems affect people, animals and nature?
- 
- 

- Are you aware of what you can do to reduce your negative impact on the environment?

- Yes
  - No
- 

#### 2. Personal habits

##### Mark the activities you already doing:

- I recycle the waste.
- I use public transport, bike or walk instead of driving .
- I buy local and seasonal products.
- I use reusable bags, bottles and containers.
- I turn the lights off and save energy when it is not needed.
- I participate in actions of cleaning or planting trees.
- I compost.
- I reuse things.
- I donate things that I no longer use.

**Add something else you do for the environment:**

---

---

---

### **3. Designing a solution**

**Think and write three ideas about how you can contribute to environmental protection:**

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

#### **Example of a group task:**

Based on your ideas from the previous task, design a campaign to increase public awareness of the importance of environmental protection.

- Campaign name: \_\_\_\_\_
- Campaign Goal: \_\_\_\_\_

Steps for implementation:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Needed resources for the campaign:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

#### 4. Creative zone

##### Creating a poster:

On the back of the worksheet, draw a poster for your campaign. Use the following guidelines:

- Main message: \_\_\_\_\_
- Colors/Symbols you will use: \_\_\_\_\_
- Campaign slogan: \_\_\_\_\_

#### 5. Discussion and reflection

##### Think and answer:

- Which part of the activity was most interesting to you?

---

---

- What did you learn about environmental protection?

---

---

- How will you apply what you learned in your everyday life?

---

---

##### Conclusion: Your contribution

Finally, write what you will do today to contribute to environmental protection:

---

---

**Thank you for taking care of our planet! 🌍**
